# THE CUMMING SCHOOL OF ART

D E S M O I N E S , I O W A

**CHARLES ATHERTON CUMMING**

DIRECTOR

PUPIL OF BOULANGER, LEFEBVRE AND CONSTANT

== REGULAR DAY SCHOOL ==  
SATURDAY MORNING CLASSES  
== NIGHT CLASSES ==  
OUT OF DOOR SUMMER SCHOOL

¶ The work of the school ranks with that of the leading academic art schools of Europe and America. Artists who have received their instruction in this school are occupying prominent positions throughout the country as painters, illustrators, designers, teachers, commercial illustrators and cartoonists.

¶ The studios and galleries—eight in number—are correctly lighted, having been designed for their present use. Few studios are so sanitary, comfortable and well equipped for practical work.

¶ The first year's work has been so designed as to make a complete short course. The thirty-four weeks of studio work in free hand drawing, painting, design, lettering, perspective, construction drawing and illustrative composition are so divided as to give the very best results, as well as to make a perfect foundation for advanced art study. - - - - -
